Exempt Micro Enterprise (EME) Exemption Statement

Branded CC subscribes to the Broad Based Black Economic Empowerment Codes of Good Practice in terms of Government Gazette no.29617 published on 9th February 2007. We are committed to following the procedures set out in the B-BBEE codes.

The codes define an Exempt Micro Enterprise as one with an annual turnover of less than R5 million. Our turnover based on our latest financial statement as submitted to SARS was less than R5 million.

We are therefore classified as an Exempt Micro Enterprise (EME).

EME's are automatically allocated a level 4 BEE score. Any procurement from us can be claimed at the rate of 100% of any qualifying spend with us.
